

MASCOMA RIVER
GREENWAY COALITION

Thank you

Dear Friends at The Coop,

On behalf of the MRG Coalition
(the team responsible for bringing
the Greenway project to life), I want
to thank you for helping us to raise
the funds necessary to make this
dream a reality. The \$2500± raised

Through PENNIES FOR CHANGE will
be used to complete a paved "rail
trail" connecting downtown Lebanon
to West Lebanon. Imagine how
wonderful it will be for residents of
Lebanon (and the Upper Valley) to be
able to walk, bike or even ski from
one side of town to the other!

We are very grateful for the Coop's
support. Sincere Thanks, Lorraine Kelly
